

E-Newsletter

August 26, 2010

Dear Friends,

We will be using the e-newsletter on a weekly basis to keep you up to date on the upcoming events. This will replace the announcement sheet we use each Sunday. For those who do now have access to the e-news, there will be copies of this e-news available on Sunday.

Our regular paper newsletter will be mailed on a bi-monthly basis. You should be receiving a newsletter for September/October by mail in the next week.

Please email me with any feedback you might have.

Faithfully yours,
Jill Johnson

Church Photo Directory

We are going to produce a new photo church directory without using an outside photographer. Bill Maxwell, one of our resident photographers, has graciously offered his talents. He will be taking pictures of your household on Saturday, September 11 and Sunday, September 12. Please sign up for one of the time slots on the poster in the narthex. We are planning on taking pictures of 5 family units per half hour. These pictures will not be for sale.

We may try to schedule a make up time in the future, but we also will accept close-up digital photos you may already have.

The directories will be produced by the office and we hope to have them available in early October. If you would like to volunteer, please contact Jacqueline Carlson at 949-3349 or icalrson83@gmail.com
